PRIVACY NOTICE

concerning the processing of personal data – Candidates applying to the Doctoral School

Pursuant to Article 13(1) and (2) of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) (Official Journal of the European Union L 119/1 of 2016, corrigendum: Official Journal of the European Union L 127 of 2018, item 2), hereinafter referred to as the "GDPR", Candidates applying to the Doctoral School are hereby informed that:

1. The controller of personal data collected during the admission procedure for the Doctoral School of Animal and Health Sciences is the Institute of Genetics and Animal Biotechnology of the Polish Academy of Sciences, entered in the register of institutes of the Polish Academy of Sciences, maintained by the Polish Academy of Sciences, under number RIN-V-32-98, Tax Identification Number (NIP): 1230018381, National Business Registry Number (REGON): 000326196, address: Jastrzębiec, ul. Postępu 36A, 05-552 Magdalenka, Poland.
2. In all matters relating to the processing of the personal data of persons participating in the admission procedure, contact should be made electronically using the following email address: daneosobowe@ighz.pl.
3. Personal data provided to the Controller by a participant in the admission procedure shall be processed in accordance with the GDPR.
4. The person providing the data shall have the right to request from the Controller access to their personal data, rectification or erasure of that data or restriction of its processing, the right to object to processing and the right to data portability.
5. The data subject shall have the right to lodge a complaint with the supervisory authority, namely the Personal Data Protection Office, ul. Stawki 2, 00-913 Warsaw, Poland.
6. Personal data provided by a participant in the admission procedure shall be processed on the basis of that person's consent and to the extent necessary for the proper conduct of the

AND ANIMAL BIOTECHNOLOGY
of the Polish Academy of Sciences**

admission procedure, as well as to the extent that the Controller is legally required to process the participants' data, including under higher education legislation.

7. A participant in the admission procedure shall have the right to request access to their personal data, its rectification or erasure, restriction of its processing, to object to the processing of the data, to data portability and to lodge a complaint with the supervisory authority, namely the President of the Personal Data Protection Office.
8. A participant in the admission procedure shall have the right to withdraw consent to the processing of their personal data at any time, without affecting the lawfulness of processing based on consent before its withdrawal.
9. The provision of personal data by a participant in the admission procedure is voluntary; however, failure to provide the data may make it impossible to conduct the admission procedure.
10. The personal data of a participant in the admission procedure shall not be processed by automated means or be subject to profiling.
11. The personal data of a participant in the admission procedure shall be processed for the period necessary to conduct the admission procedure.
12. The recipients of the personal data of a participant in the admission procedure may include entities providing external services to the Controller, including IT, accounting and legal services; bodies authorised to obtain such data under the applicable legislation, including higher education legislation; and the partners of the Consortium established to create and operate the Doctoral School in the area of Animal Sciences and Health Sciences.
